CAPTAIN'S DAY

Peter and Shirley will be holding their Captain's Day on **Sunday 21st August**. We will be having the annual ladies v men game in the morning (see separate list if you would like to play), then a buffet lunch (approx. 1pm) after which we will play some fun games of bowls with exciting(?) prizes.

As the Commonwealth Games are on this summer the theme will be sports.

Come dressed for any sport, one you used to play perhaps or one you like watching. If no, you could always come as a bowler!

Please put your name on the list if you intend to come along to give us an indication of how many to cater for.
